## To Build Treasury Branch

A new Treasury Branch office will be constructed at Vulcan this year, according to information received by the Advocate from L. T. Simonson, Administrative Manager at Edmonton.

The Carson Block next door to the Treasury Branch in Vulcan has been purchased and both it and the present office will be demolished to make way for the new building, which will thus occupy a 50-foot frontage on Centre Street.

At the present time it appears that the new building will house the Treasury Branch only, although the possibility exists that space may also be made available for District Agriculturist and Home Economist offices in the government-owned building.

Plans are now being prepared and construction should start this spring. During construction, the Treasury Branch in Vulcan will occupy the former Fashionette building, which was originally built by and housed the Bank of Montreal in Vulcan.

The Vulcan Treasury Branch now has a staff of eight persons. Manager is Wally Taylor.

YOU'RE INVITED. For the first time in many years a special musical treat is in store for Vulcan and district audiences as students of County Central High School will present the operetta The Belle Of Bagdad at the school auditorium next Monday, Tuesday and Wednesday night. Most of the

cast are shown above as they appeared for a dress rehearsal last week and are, back row from the left: Beverley Budd (Henrietta Whiplash); Paul Wald (Dick Taylor); Betty Dakin (Jewel); Mario Griffin, stand-in for Walter Samardien (Hassan El Carib); Joyce Hagedorn (Native). In front are

Carol Wellman (Rose) and Connie Nelson (Zelinda). Assistant principal Ray Brown is production manager of the operetta, while Mrs. Caroline Johnson is musical director. Drama director is Mrs. Carrie Graham. This ambitious project has been in progress for months and involves 80 students.

## Three Rural Fire Calls On Tuesday

The Rural Fire Protection Association truck at Vulcan was called out three times on Tuesday of this week.

In the morning, a Ford-Ferguson tractor being used in the farmyard at the Bill Loose home place caught fire and was pretty well destroyed before the fire could be extinguished. The tractor presumably caught fire when the gas tank cap worked off and gas sloshed out and was ignited. No other damage was done.

In the afternoon the fire truck was called out to a grass fire in the Mart Jose farmyard. It was feared that the fire in a fence row might spread to a nearby barn but the flames were extinguished with little damage.

It should be noted that one blast of the fire siren signifies a rural fire; a rising and falling siren alarm indicates that the fire is in town.

The third call answered by the Vulcan rural fire truck on Tuesday was in the early evening. A small house on the Greene farm 11 miles east of Carmangay was on fire, with danger of the flames spreading to the main house nearby and to an adjacent stubble field. Although there was no hope of saving the small house, the fire crew responded to the call and made sure that the fire did not spread further.

## Grass Fire Soon Controlled

Quick response by neighbors to a call for help prevented a grass fire at the Allan McLean farm south-west of Champion this week from doing serious damage.

Mr. McLean was away and Mrs. McLean was burning some trash when a breeze suddenly spread the fire into nearby grass, along which it travelled towards the machine shed.

Neighbors arrived quickly to keep the fire away from the machine shed and when the rural fire truck from Champion reached the farm the last sparks were soon put out and the area thoroughly wetted down.

## Plan Camporee June 3-4-5

At a meeting in Champion on March 23, the Lake McGregor District Scout Council made final plan for the 1966 Camporee, which will be held June 3-4-5 at the Johnson Creek campsite west of the Johnson Creek ranger station.

Leaders' meals this year will be provided by the Vulcan Group Committee. It is expected that about 75 boys will attend the Camporee.

## Quebec Wins

## Vulcan Rink Comes Close In Legion Curling Playoffs

The Vulcan Legion rink of John Wolfe, Ivan Haga, Gale Atkinson and Ray Wellman didn't win the Dominion Legion Finals held at Kamloops, B.C. last week but they came mighty close.

After the 10-rink round-robin play of nine draws was completed they were in a tie for first place with the rinks of Quebec and Nova Scotia, all with records of 7 wins and 2 losses each.

In the sudden death knock-out

for the championship, Quebec drew the bye and Alberta and Nova Scotia locked horns, and with last rock on the twelfth end the Nova Scotia skip completed a raise take-out to win the game; the first time they were in the lead for the entire twelve ends. But that is the way curling games are decided and in the ensuing final Quebec edged Nova Scotia with last rock after an extra end of play.

What impressed the Vulcan boys most was the regal treatment all rinks received at Kamloops for the entire week in feasting, entertainment and friendship from everyone connected with this Legion Dominion Curling Final.

Next year's playoff will be held at North Bay, Ontario.

## FUA Workshop Held At Vulcan

The New Club Cafe in Vulcan was the scene of a two-day Leadership Training Workshop on March 24 and 25, sponsored by the FUA Vulcan County Team Leadership Development Association.

Elmer Riemer from UFA Co-op of Calgary conducted the sessions on Thursday which dealt with Role of a Chairman and Chairmanship, Meeting Procedure.

On Friday Col. E. W. Cormack, of the Dept. of Extension, Edmonton, brought information to the group on reporting and practice reporting, program planning and participation.

Attendance was registered from Milo, Queenstown, Arrowwood, Champion, Vulcan, Berrywater and Carmangay during the two days, with most favorable reports from those attending.

## Cooking School

Calgary Power's Cooking School, entitled "Grandma Goes Modern," to be held in the Blackie School auditorium. Thursday, March 31, will feature the fine baritone singing of Ray Davidson. Ray is a popular Calgary singer, and will sing favorite selections as well as lead those present in a "fun" community sing-song.

Don't forget the date, Thursday, March 31 in the Blackie School Auditorium, sponsored by Rebekah Lodge. All proceeds go for community projects. Oh yes, there'll be prizes galore, too!

## Services Held

## For Former Champion Resident

Services were held at Salem Evangelical United Brethren Church, Calgary, on March 9, 1966, for Peter Fritzier, aged 87, who died at Calgary March 7.

Born at Grimm, Saratov, Russia, he came to Canada in 1906 and to the Champion district in 1913, where he farmed until retiring to Calgary in 1948. He was a member of Salem E.U.B. Church.

Besides his wife Molly he is survived by five sons, Alex at Vulcan, Jacob at Lethbridge, Peter at Medicine Hat, Herbert at Champion and Leo at Lumbly, B.C.; four daughters, Mrs. Henry (Clara) Deal of Lethbridge, Mrs. George (Nina) Deal of Vulcan, Mrs. Alice Todd of Lethbridge and Mrs. Philip (Velma) Denny of Burnaby, B.C.; 31 grandchildren; 24 great-grandchildren; and a brother, Conrad, in Colorado.

Rev. D. R. Sipe officiated at the services and interment was in Mountain View Memorial Gardens.

## Regular Meeting Anglican Guild

A corporate Holy Communion for the Anglican Ladies Guild was held March 23 after which the regular monthly meeting took place. Mrs. Florence Fitzpatrick was in the president's chair and opened the meeting with the Lord's Prayer.

Final plans were made for the social gathering and refreshments to be served to the Rt. Rev. George R. Calvert, Bishop of Calgary, the confirmation candidates and friends after the Rite of Confirmation and Laying of Hands to be held the night of March 30. Prayer Books will be presented to the candidates from the Ladies Guild.

Mrs. Bob Todd was appointed as the representative of St. Aldhelm's to the centennial planning meeting to be held April 1.

The meeting came to a gay ending when Mrs. Tabor was surprised with a brightly-lit birthday cake presented by the Rev. Cowell. At the same time she received expressions of good wishes from the entire congregation and was remembered for her devoted service in the life of her Church.

Teyet Ramar II has two distinctions. He is one of the few persons in the nation able to spell both names the same backward and forward, and he is the grandson of Indian Chief Sitting Bull.

## Vet Is Speaker

## Trophies, Comedy, Speakers Featured At F. & G. Banquet

One hundred and eighty-one sportsmen and women of all ages sat down to the seventh annual banquet and program of the Vulcan and District Fish and Game Association Friday, March 25 in the Vulcan Lodge Hall.

It was an evening of brisk speeches, a return of familiar faces, among them Rev. Bob Johnston, who M.C'd, and his wife Marybelle, and a complete outdoors setting from game heads mounted on the walls down to the dinner napkins and attractive centerpiece for the head table which was designed by Joyce Jepps.

At the head table were Mayor and Mrs. C. G. Ness, who brought greetings from the town, the Johnstons, local president John Andrews and his wife Mary, Dr. and Mrs. A. E. Lewis and former Alberta Fish and Game president Henry Lembicz and his wife.

In his short welcome Mayor Ness complimented the Vulcan group on its interest shown in the youth of the district and the continuing attempt to improve hunter-farmer relations.

John Andrews' report carried a review of the past year of activity which ended with a bank balance of \$392.85.

The Winter Olympics site and possibility of damming of streams along the eastern slopes of the Rockies were subjects covered by charter club member Rev. Johnston and further enlarged upon by Henry Lembicz. Rev. Johnston urged a greater awareness of the loss to wildlife, natural beauty and recreation attached to the damming of mountain streams which is being considered by governments and power companies. He recognized the need for water conservation in the face of growing population and greater demand on this resource but he felt these retaining dams might be located further out from the mountains. "Dams will cut off stream fishing but they could be located so as not to destroy this sport for future generations," he said.

Mr. Lembicz argued that such damming of water near mountain slopes would flood many of the prime big game pastures. This problem, he felt, along with the others, make this a danger which should involve every Fish and Game member.

Mr. Lembicz also suggested power companies' requests for diverting and damming streams for power should be carefully considered. He claimed this type of power generation is old fashioned and could be substituted for coal heat now and would, one day soon, be completely replaced by atomic power.

Use of water for dilution of pollution must be eradicated also, said the speaker who felt this method only prolonged the building of proper sewage treatment plants.

"When people show concern then politicians act," said Mr. Lembicz.

Referring to Wildlife Week which is April 10-16, Mr. Lembicz made a plea to farmers to plant any poor land to brush, hedges and cover as a home for wildlife and to add beauty and for water conservation.

The 1965 Alberta president warned sportsmen they can expect increased costs in hunting licences this year to cover assistance to the wildlife insurance fund, provincially and to help the Federal

government finance its plan to lease land for wildlife potholes. Minimum cost of hunting this fall will be five dollars.

Dr. A. E. Lewis, head of the Health and Animals Branch, Canadian Department of Agriculture was the guest speaker and discussed at length the part the veterinary branch plays in inspecting meat products to guarantee their standards and in the preventive action taken in an effort to keep Canada free from animal diseases which are widespread in other countries.

With three veterinary colleges in Canada, Dr. Lewis said there are now 2,000 vets, 250 in Alberta and 14 with the Provincial Government.

"The large animal practitioner has proven invaluable to the rancher and stockman while the small animal practitioner is greatly needed in care of pets," he said.

Dr. Lewis felt Canada is relatively free from serious cattle disease but constant check is made at seaports and air terminals for passengers carrying diseased meat with them. This fed to cattle as

garbage could have, and has resulted in isolated but dangerous outbreaks.

One effect of cattle disease on hunting was given where, because of foot and mouth disease in Quebec, U. S. hunters were not permitted to take back big game so they didn't hunt, costing a local hunting lodge this business.

The "Canada Approved" stamp on meat is the sign of federal inspection, said Dr. Lewis and 25 per cent of Canada's veterinarians work at some level of government inspection.

Steve Dixon, on the executive of the Alberta Fish and Game, presented Howie Marshman with a trophy as membership winner for 1965. This is the third year the honor has come to Howie and now the trophy is his permanent possession.

Badges to the third and final class of hunter-training students were given out by John Andrews to the following: Harry Stoddard, Jim Spaeth, George Nichol, Gordon Marshman, Lawrence, Keith and A. C. Marsh, Lawrence Lundgren.

## Northcott Wins

Fresh from his big victory in the Canadian Brier, Ron Northcott of Calgary and his youthful rink regained the Scotch Cup for Canada at the world tournament held in Vancouver last week.

The Scotch Cup, emblematic of the world championship, has been won by Canada seven times in its eight-year history. The Northcott

rink went through the four-day bonspiel undefeated, beating the Chuck Hay rink from Scotland in the final game.

The 30-year-old Northcott, who attended school at Vulcan and whose family home is still here, has George Fink, 26, as third; Bernie Sparkes, 25, as second, and Fred Storey, 21, as lead.

## Vulcan Area Extended

## All-risk Crop Insurance Meeting Good Response

All-risk crop insurance is again being well accepted by farmers in the Vulcan area, both in the districts that formed part of the original area last year and in the eight townships added to the Vulcan area this year, west and north of the original area.

The new townships added to the Vulcan area this year come under the supervision of Crop Insurance Corporation agent C. E. Fulton of Vulcan. Agent for the Champion-Carmangay district is A. W. Ulrich and for the Barons-Nobleford district Glen Gibb.

The provincial agriculture department estimates that about one million acres in Alberta this year will be covered by the all-risk insurance. Coverage will be calculated on the 25-year average yield, rather than on the 35-year average used last year.

The all-risk crop insurance was introduced last year in three different areas of Alberta and this year two new areas have been added, one in the Peace River-Fairview-Grande Prairie area and one known as Calgary North, in the Three Hills-Crossfield-Beiseker-Rockyford area. The original areas, at Lacombe-Ponoka, Vermilion and Vulcan have all been extended this year. Choosing of new areas and extension of existing areas is determined by the interest shown by farmers.

The all-risk insurance covers

against all natural hazards such as hail, drought, excessive moisture, flood, frost, wind, snow, wildlife, plant disease and insect infestation. Under the federal-provincial insurance arrangement coverage is provided for up to 60 per cent of the long-term yield.

The provincial department has discussed with Ottawa increasing coverage to 80 per cent of the

VULCAN AREA

long-term yield and an increase in the premium subsidy of 50 per cent which is now paid by the federal government, but no decision has yet been reached.

EARLY START. The beginners' cent junior concert at Vulcan, senior band is preparing for its concert at Lomond on Wednesday, April 13.

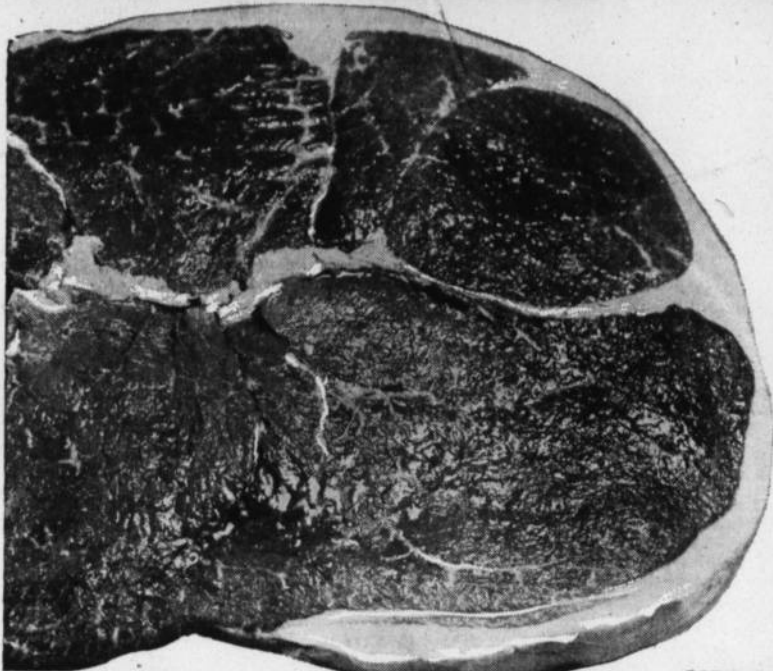

THE BELLE AND BEAU? Two of the principal performers in the coming operetta, The Belle of Bagdad, Paul Wald and Betty Dakin are shown in costume for their parts as Dick Taylor and

Jewel. The three-night County Central High School student production will be presented Monday, Tuesday and Wednesday of next week at the school auditorium starting at 8 p.m.

SPRING LAWN CARE  
AND RENOVATION

As it won't be long before lawn grass begins to grow, a few lines about lawns might be interesting. There is virtually nothing really new for me to report about lawn care. Almost everything conceivable has been or is being tried to give a better lawn. New varieties are being developed, new seeding methods are being tried and new chemicals are available, but nothing yet to revolutionize the art of lawn care. For most of us, deciding which grass mix to use, or how to prepare the seed-bed is no problem because our lawn is well established. The big question is "how do I keep that lawn in top shape?"

Probably the first thing to do is to rake your lawn with a spring-time rake. The spring-time rake is much easier on the grass and does a better job of removing the old clippings, twigs and what-not which accumulate on the lawn each winter. It would be a good idea to rake one way and then a second time at right-angles to the direction of the first raking. As a lawn ages, it changes its shape and perhaps has small valleys and hills which detract from the appearance. The first remedy that is often tried is rolling with the hope that the result will be a flat lawn. Usually this does not work. Heavy rolling is never needed and the best rule for lawn rolling is, "if in doubt — don't!" The best method to level an uneven lawn is to start over, but this is only necessary in extreme cases. If you have only isolated low spots or a trench where the water line is, I would suggest top dressing. Top dressing can be accomplished by sprinkling a thin mixture of soil, sand and peat. The mixture should be one part soil two parts coarse sand and one part peat. This mixture should be fine enough to pass through a 3/8 inch sieve. If peat is not available, substitute two parts of organic matter such as well rotted manure.

After sprinkling on no more than ½ inch of this top dressing, a rake or broom or drag mat should be used to work the top dressing down to the soil surface. Never put more than ½ inch of top dressing on at one time. It is better to top dress twice at the recommended rate, during the growing season than to apply a larger amount once a year.

Aerifying is probably not necessary on home lawns. This practice consists of making small holes or slits in the lawn. Aerifying of home lawns might be needed if the lawn is heavily used, is old or is worn or badly constructed. The type of aerifying machine which I think does the best job is the type which removes a small core of soil rather than just punching a hole in the lawn.

If you are seeding in any small bare spots, be sure to keep the seeded area moist and provide some protection from the sun and peoples' feet.

Fertilizer should be applied in the spring and again in the summer, probably about the second week in August. Always apply fertilizer when the lawn is dry. After application, water the lawn thoroughly. General recommendations are 16-20-0 at 6 lbs. per 1,000 square feet or 27-14-0 at 4 lbs. per 1,000 square feet. The 27-14-0 would probably be the best for the spring application because it has a higher proportion of nitrogen.

If you don't get the fertilizer on evenly, your lawn may be burned or at the least be very streaky. Probably the best method is to divide the fertilizer in half and apply half in a north-south direction and the other half in an east-west direction.

Because we are in an area of lower rainfall, supplementary watering is important. It is better to water heavily and evenly than lighter more frequent sprinklings. The lighter applications encourage shallow rootings, weeds, moss and lawn diseases.

**REPORT FROM EDMONTON**

by J. WALLY STRANG

The past week has been one of questions and answers with the opposition asking all the questions and the government doing its best to give a few answers.

Some of the questions that never hit the press, but I thought interesting went something like this.

Liberal Mike Maccagno asked Doctor Ross, the Minister of Health how many people in the province are receiving some form of comprehensive medical care... to which Dr. Ross quickly replied, "between 80 and 81 per cent." When Mr. Maccagno asked the doctor how he arrived at the figure, Dr. Ross's face went red, he smiled and said, this information comes from various contacts and carriers... end of question.

When Liberal Bill Dickie asked the provincial treasurer if the government had actually spent 45 thousand dollars advertising for help to fill vacant positions, Mr. Aalborg jumped to his feet and said "yes"... at which point Mr. Dickie stood dumbfounded and just sat down. He apparently expected a long winded explanation or a few reasons or arguments.

When the classification of positions came under study, it was revealed that positions in the forestry department, involving men who work in the bush all the time, are actually classified by people sitting behind desks in Edmonton. But... Mr. Aalborg said the people who do the classifying are highly trained... and it might be of interest to civil service em-

ployees in the department of agriculture to know their branch is now undergoing a re-classification study.

Minister of Industry and Development, Russell Patrick made it clear that while the government helps and may subsidize some industries... it is not in the business of price fixing, and as an example, can't very well help the small grocer in his fight against large chain store operations.

**KEEP YOUR DOORS LOCKED**

During the latter part of the week, it was revealed that when a child enters school in Grade one, the teachers fill out a card telling all about the child's health, his habits, his home problems, parents' religion, occupation, and numerous other very personal items. This information is catalogued and it follows the child right through school. When asked where this information is obtained, some of it comes from the child (who is six years old) some from notes sent to the parents and some from school nurses who visit homes. In other words, those school nurses may not only be interested in your child's health and welfare, they may be doing a good job of spying... and all this information is carried on the youngster's personal record. Like someone asked... what happens if the parents are fighting this week... does it mean they fight all the time. Think about it.

FROM OUR CORRESPONDENTS

**HERRONTON**

The flu has hit the district and quite a number of students and residents are sick with it. A speedy recovery is wished them.

**LADIES COMMUNITY CLUB**  
The Herronton Ladies Club held its regular meeting of March at the home of Mrs. Dennis Sewell with a good attendance of members.

The meeting opened in regular form with President Mrs. G. Laycraft in the chair. Treasurer, Mrs. J. Howe, reported a good substantial bank balance and all bills paid to date. The bills of Daniels' Sheet Metal and High River Concrete were forwarded to the county office to be paid. These were to be paid under the centennial grant.

It was decided that the club would donate a cash donation to the Herronton FUA for prizes for the bonspiel. The Ladies Club also decided to cater to the bonspiel and hire Mrs. Cedille Southgate to look after the kitchen during the two day event.

A cabaret-type dance was organized. This is to be held on Saturday evening, April 16.

The third vote was taken on membership and was not passed; so it is the same as before: all residents of the district are automatically members and will be asked to donate and serve when their names are called.

At the conclusion of the meeting, a lovely lunch was served by Mrs. Dennis Sewell, Mrs. Cam Stewart and Mrs. Dave Sewell.

**F.U.A. BONSPIEL**  
Twenty-one rinks were entered in the Herronton FUA Bonspiel on March 17, 18, and 19. Many more children than usual wished to enter and as a result there were about two students to a rink.

The trophy and first prize was won by the rink skipped by Earle Malmberg, with Andy Van Bussel playing third, June Malmberg as second, and Marie Van Bussel as lead: 2nd prize, C. Tindal; 3rd prize, V. Westersund; 4th prize, J. Howe.

Second Event— 1st, D. Lindquist; 2nd, G. Malmberg; 3rd, Harold Bechtel; 4th, B. Powell.  
Third Event— 1st, A. Lahner; 2nd, H. Burnay; 3rd, D. Stewart; 4th, J. Wollersheim.**NORM

**This is the  
Centennial Symbol.****What does it mean?  
What does it  
mean to you?**

We hope it means more than any other symbol you have ever been exposed to. Because this symbol is Canada. And Canada is you.

It is composed of eleven triangles. Ten representing the Provinces, and the other, our northern territory. The triangles are arranged as a stylized Maple Leaf, the identifying symbol for Canada and Canadians.

It is your symbol and it can help stand for your involvement in Canada. It can show your pride. It can interpret your enthusiasm for a greater Canada. From this point on, all Canadians will be caught up in the growing excitement of honouring 100 years of Confederation. Individuals will soon be involved with their own Centennial projects. Many communities

have already begun to embark on large scale Centennial endeavours. Industries have initiated widespread Centennial efforts of varying degrees. All Canadians working to say "Canada" to the world.

You will be seeing this symbol everywhere. Like to be one of those behind it? We'd like you to use the symbol in your home; your office; at school; in your plant; wherever you can. The manual noted below may help to explain how you can best use it.

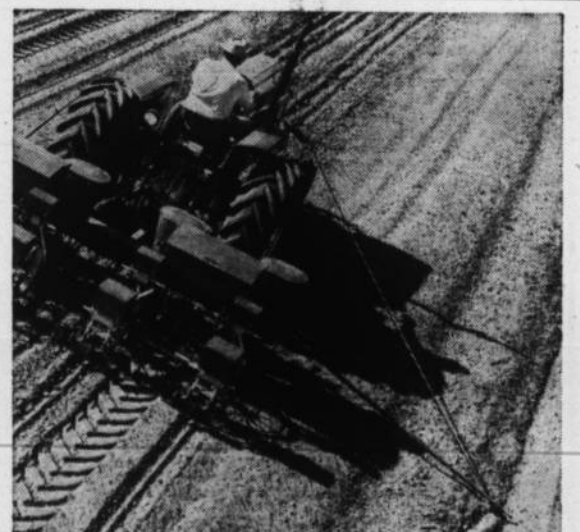

Remember, this is an opportunity for all of us to understand Canada, its history, its present and its future. Let's explore what can now be called a great country. Let's all be a symbol for Canada, the same way this is a symbol for Centennial.

tended the wedding of Gordon  
Barber of Strathmore to Miss  
Jacqueline Board of Calgary on  
Saturday.

Mr. and Mrs. Frank Hubka and  
Florence motored to Drumheller  
for the weekend and were guests  
of their daughter Marilyn.  
Get well wishes are extended to  
Miss Dorothy Thompson of Cal-  
gary who has been seriously ill  
but is slowly improving. Her  
parents, Mr. and Mrs. Syd Thomp-  
son are staying with her at pres-  
ent.

Mr. and Mrs. Vernon Greene  
were Calgary visitors over the  
weekend and were guests of their  
daughter Lynn.

Mrs. Alma Lund returned home  
during the week after spending the  
past few months in Chilliwack  
with her daughter.

Mrs. Ida Soderquist, Mr. and  
Mrs. Sever Jorstad and Charles  
Rozander, all of High River were  
recent dinner guests at the home  
of Mr. and Mrs. A. L. Stafford.  
The occasion was Mrs. Jorstad's  
birthday.

Mr. and Mrs. Charles Strong and  
family were last weekend guests  
at the home of Mr. and Mrs. A.  
L. Stafford.

Mrs. Beatrice Malmas of Wetas-  
kiwin is spending a few weeks  
with her sister Mrs. Emily Bur-  
wash. Also recent visitors at the  
Burwash home were Mr. and Mrs.  
Ellis Stange and Philip also of  
Wetaskiwin.

BROWNIE, GUIDE AND SCOUT  
ANNUAL BANQUET

The annual Brownie, Guide,  
Scout Banquet was held on March  
24 with a good attendance. A  
bountiful buffet supper was very  
much enjoyed. Albert Ross was  
MC for the evening.

The toast to the Queen was  
given by Florence Hubka. Leslie  
Hubka proposed the toast to the  
mothers and Mrs. Ruth Bodie re-  
plied. Jervis Brownell responded  
to Carol Blue's toast to the  
fathers.

Head table guests were introduc-  
ed, Mrs. M. Hayden, Deputy Pro-  
vincial Camp Advisor; Buelah and  
Rudy Hubka, Buelah is Ranger  
Captain; Mr. and Mrs. Wallace  
Miller, Mrs. Charlene Brown, Guide  
Captain; Don Miller, Scoutmaster;  
Mrs. Albert Ross; Jerry Wylie,  
Cub Commissioner; Phyllis and  
Keith Clark, secretary and chair-  
man of the Lake McGregor Dis-  
trict respectively and Rosella and  
Bob Hubka, Rosella is Brown Owl.  
Mr. and Mrs. Stanley Lyckman  
also were present. Stan is presi-  
dent of the Lions Club, the spon-  
soring body.

Guest speaker, Mrs. Hayden,  
dwelt on the forming of the Scout  
and Guide movements by Sir  
Baden-Powell, and of her intense  
interest in camping and of the  
1967 Centennial camp project.

Captain Buelah Hubka present-  
ed Florence Hubka with her Gold  
Cord, the highest award in Guid-  
ing. Florence was very apprecia-  
tive to all those who had assisted  
her in obtaining this honor — her  
leaders, parents and testers.

Robert Clark received his First  
Class Badge from Scoutmaster Don  
Miller, Jim Fraser had also earned  
his but was not present.

Mrs. Julie Ewing, Past Presi-  
dent of the Mother's Guide Asso-  
ciation, spoke of Captain Buelah  
Hubka's excellent Guide leadership  
for the past seven years and was

only too happy to make a pre-  
sentation to her. This gift was a  
pair of walnut bookends with the  
Guide crest. Captain Buelah ex-  
pressed her many thanks and felt  
she wasn't living up to the Guide  
motto "To be prepared," as the  
presentation was really a surprise.  
However this was followed by an-  
other as Vivian and Valerie Blue,  
on behalf of the Guides and with  
deep appreciation to their leader,  
gave her a tray on which a Guide  
trefoil had been engraved.

Albert Ross, president of the  
Scout Group Committee com-  
plimented Mrs. Josephine Minty on  
her eight years as Cub leader and  
as a token of her work gave her  
a beautiful serving tray.

Mrs. Rosella Hubka, Brown Owl,  
introduced her able assistants, Mrs.  
Joan Ross, Tawny Owl, Mrs.  
Sharon Brinton, Wise Owl, and  
Mrs. Merla Copeland, Snow Owl  
and read her year's report. The  
Brownies opened this part of the  
program singing two songs.

Captain Charlene Brown intro-  
duced her helpers, Lieutenant  
Lenora Baldwin and Lieutenant  
Margaret McLeod, and outlined  
her work with the Guides. The  
Guides performed an amusing skit.

As this is the first Ranger  
Group formed in Carmangay the  
five members, Marilyn Baldwin,  
Geneva Kananen, Wendy McFar-

land, Judy Hubka and Florence  
Hubka detailed their aims and am-  
bitions and ended their remarks  
with a salute to their leader, Cap-  
tain Buelah Hubka. They took  
part in a comical pantomime.

Scoutmaster Miller gave a  
synopsis of Scout activities and  
thanked Bob Parker for his assist-  
ance. The Scouts added their num-  
ber to the program.

A hearty round of applause was  
given to the convenor, Mrs.  
Georgie Brownell, and her commit-  
tee for the wonderful supper.

Films were shown to complete  
the evening, thanks to Earl  
Brinton.

## West Country Women's Club

### BLACKIE

#### CHAMBER OF COMMERCE AND AGRICULTURE

The Blackie & District Chamber of Commerce and Agriculture March meeting was presided over by A. Christofferson. Eldon Seney chairman of the building committee reported that the main auditorium of the new hall was all insulated, stage in, ceiling tiles in place, light fixtures installed and the hardwood flooring all laid. The hall was opened for the public last Wednesday for the Nichols' farewell.

It was also brought up at this meeting that a representative from all local organizations and the Village Council be asked to meet with the Blackie Chamber on April 19 to set up a new hall committee. Harold Hansen then introduced the guest speaker for the evening, E. A. Patching, General Manager of the Alberta Crop Insurance Corporation. Mr. Patching gave a very informative talk on "All Risk Crop Insurance."

#### BLACKIE BOYS BEAT BANFF

The Blackie Junior Boys defeated Banff in Junior basketball action at Banff on Saturday. The Banff boys edged Blackie by two points in the beginning but Blackie pulled ahead to a 64-34 victory over Banff.

Following the game the boys visited the Mount Norquay chair lift and then went swimming in the Upper Hot Springs pool. Following supper the boys returned to Calgary for bowling and then home.

The boys were transported to Banff in cars supplied by their coach and Ron Bird. Accompanying Mr. Bird was his daughter Pat home from Edmonton for the weekend.

#### U.C.W. NIGHTINGALES

The March meeting of the U.C.W. Nightingales was held at the home of Mrs. A. Christofferson with seven members and four visitors present. Mrs. John Montgomery opened the meeting in the absence of the leader Mrs. Brackley. Devotional was led by Mrs. Ken Elliot. It was decided to sponsor the Junior Choir this year, and that the bake sale, plant and flower sale be held May 7. The CGIT will hold the tea on this day.

Reports were given on buying a different stove for the church basement and building new cupboards in the kitchen. This group are to work with the afternoon group on these projects.

Mrs. John Montgomery played a tape on "What Is The Christian Way of Life." This was taped at Naramata and was most interesting to those present. As Mrs. Nichols is moving to Cochrane she was presented with a gift from the group.

Following the meeting lunch was served by the hostess.

### "OUR ALBERTA HERITAGE"

**RED CROSS SOCIETY**

Every day the newspapers are full of incidents of drama, tragedy and suspense. Many of these dramas revolve around the theme of saving human life. Many times these stories have happy endings. They often happen because of the Red Cross Blood Transfusion service.

This service is just one of the many offered by this enterprising society. There's the Junior Red Cross — a vital force for healthy living and good citizenship that reaches school children. The Canadian Red Cross Society in Alberta operates a disaster service, a water safety service and a reunion and enquiry service. Members of this society lead the way in providing surgical dressings, layettes, clothing and bedding to those in need.

We're proud to salute the Canadian Red Cross Society and give grateful thanks for this organization that contributes so much to OUR ALBERTA.

Sympathy of the district is extended to Mrs. S. McDermid on the death of her father Clyde Sharpe at the coast.

Pete Brown and Terry attended a Hockey School at Ponoka on Saturday at the invitation of the Boston Bruins Hockey Club. The Boston Bruins are going to hold a 10-day training camp at Ponoka this year and six boys from the Arrowwood-Gleichen Gunner team have been asked to attend.

Get well wishes go to Wayne Cockran who is a patient in the General Hospital in Calgary.

Several of the 4-H members and parents attended a Judging day at the farm of Bill Bolduc at Lomond on Saturday. This Saturday, April 2 will be the tour of the different farms to see the local member's calves, starting at Jack Wards. This Friday, April 1st will be the speaking competition at Vulcan. Brenda Williams and Merle Wyatt will be representing the Arrowwood 4-H Beef Club.

Miss Susan Hayes spent several days at home from the Olds Vocational School.

Mrs. C. Curtis spent several days in Calgary at the home of her daughters.

Mr. and Mrs. Doug Phillips are attending a convention in Vancouver.

The Arrowwood Lions Club entertained the ladies to a supper at the Carolina Restaurant in Calgary last Thursday night for Ladies Night.

### BOOSTER CLUB MEETING

The Arrowwood Booster Club held its regular meeting at the home of Mrs. Frank Burger.

It was reported that new silverware has been ordered for the hall, so there will be enough now for 200 settings. Several dish-up bowls and other articles have been purchased too. Plans were made for the Coffee Party to be held on April 21, the same day as the baby clinic. There will be a Tupperware display and bake table.

Bingo was played after the meeting and a lovely lunch was served by Mrs. Burger.

### U.C.W. MEETING

The United Church Women met at the home of Mrs. Herb House. Mrs. Amos Ingraham had the devotions for the meeting.

Routine business was dealt with and letters were read from the Korean Orphan. Reports were heard from the different committees.

A letter was read from Dr. Graham and wife who had been home from India two years ago and had spoken at a UCW meeting. Dr. Graham's project was to take heifer calves back to Japan. The Arrowwood group paid for the purchase of one calf, so were interested in hearing from Dr. Graham. It was decided to send a letter of the local member of parliament.

## CARDS OF THANKS

I would like to thank Drs.  
Koziol and Almond and the nursing  
staff for their wonderful care  
given me while I was a patient  
in the local hospital. Also for  
cards and gifts which were  
received.  
—Mrs. George Flebotte. 1-x

We wish to express our sincere  
appreciation to all our customers  
for their patronage during the  
past 20 years. It was a pleasure  
to serve you and the friendships  
we developed over the years will  
never be forgotten.  
—John and Dorothy Simpson,  
Vulcan. 34-1x

I wish to extend a sincere thank  
you to my many friends for the  
lovely flowers, cards and gifts I  
received while a patient in hospi-  
tal at Lethbridge. Also a special  
thank you to Mrs. Marion Root  
and Miss Judy Deitrich for their  
kindness and help.  
—Mrs. Peggy Lay, Lomond. 1x

I would like to thank Dr. Tomp-  
kins, Dr. Koziol, Miss Sissons and  
her nursing staff of the Vulcan  
Hospital for their wonderful care.  
Thanks also to friends, relatives,  
O.E.S. and the Farrow U.C.W. for  
the many gifts and cards I  
received.  
—Mae Springer. 34-1x

My sincere thanks to Ed Lund-  
berg, Leslie Krasman and to the  
Champion Fire Department for  
their aid in quenching the fire  
at our farm on Sunday, March 26.  
—Barbara McLean, Champion. 34-1x

We would like to thank all who  
fought the fire in our stubble and  
pastures and to the Champion  
and Vulcan fire departments;  
thanks for helping quell what  
could have been a disaster.  
—Marj and Joe Fath, Mar-  
guerite and Roger Hubbard,  
Champion. 34-1p

CEPACOL—  
Antibacterial-Mouthwash-Gargle.  
CEPACOL is an antibacterial alka-  
line gargle/mouthwash. It is sooth-  
ing to inflamed mucosa-detergent  
and penetrating. Laboratory tests  
prove it destroys most pathogenic  
bacteria common to the mouth and  
throat within 15 seconds. CEPACOL  
— used as a gargle provides  
fast relief of sore throat due to  
colds. Used routinely Cepacol pro-  
motes sweeter breath and helps  
protect teeth from decay.

MR. FARMER: Proper records are  
a necessity in your farm operation.  
The Advocate's new Farm Record  
Book is specially designed for use  
in this area by a Chartered Ac-  
countant and will save you time  
and dollars every year. The heavy,  
cloth-bound looseleaf binder will  
last a lifetime. The record sheets  
are heavy ledger paper and are  
printed right in Vulcan, so refills  
are always available. The complete  
book, with an average year's sup-  
ply of sheets, costs only \$5.50. Re-  
fill sheets are 2 for 25c. Drop in  
and look at this book at The  
Advocate office. smx

## District News

### CHAMPION

A Champion sophomore at Eastern Washington State College, Cheney, Wash., James D. Ulrich, has been named to the EWSC winter quarter honor roll. Son of Mr. and Mrs. Arthur Ulrich and a graduate of Vulcan High School, Ulrich is majoring in art and working for a bachelor of arts in education degree at EWSC.

The sympathy of the district is extended Mrs. Albert Krasman in the death of her father, J. E. Boyd of Courtney, B.C.

Miss Hazel Dow leaves this week for Williams Lake, B.C. where she has accepted a position on the hospital staff.

### GROUP 4 U.C.W.

The U.C.W. of group 4 held their meeting recently at the home of Mrs. Steve Cowgill. There were nine members present. The devotional "The man nobody knows" was given by Mrs. Ted Hames.

A fellowship supper will be held in April in the church with Rev. H. Cantelon as guest speaker. After a short business session Mrs. Ted Hames led the group in the twelfth chapter of the book "God and his purpose." "The Gospel of a New Life." This proved to be very interesting. A lovely lunch served by the hostess brought the meeting to a close.

### CHAMPION LIBRARY ANNUAL REPORT

The Annual Meeting of Champion Public Library was held

March 23 in the Library. Twelve board members were present and nine organizations were represented. The financial report was read and adopted and showed receipts as follows:

Gifts and Memorial Book \$190.50, supporting organization 20.00, memberships 113.00, fines 49.41, Bake Sale 70.43, Govt. Grant 300.00, Recreational Grant 300.00, making a total of \$1,226.59. Total expenditures were \$1,129.28.

It was decided the secretary write various organizations for further support as the recreation grant does not cover the amount withdrawn by the town.

Number of books purchased in 1965 was 225 at a cost of \$739.60. Circulation 5,454.

New officers were elected as follows: Edith Nowlin, president; Beth Lawson, secretary-treasurer; Beth Little on the book buying committee.

New Library hours were arranged for Tuesday and Thursday, 12 noon to 5 p.m., Saturday 2 p.m. to 5 p.m.

The president extended her thanks to all who helped in any way for the continued success of the Library. It was decided to have a bake sale in Library on April 9.

### BRANT

Rev. Sinclair Reikie of Nanton exchanged pulpits with Wayne Shortt on Sunday, March 27. He baptized Karen Susan Jorgenson, daughter of Mr. and Mrs. David A. Jorgenson, and received into full communion of the fellowship of the church Mr. and Mrs. D. A. Jorgenson, Mrs. W. Holoboff and Mrs. W. S. Wylie. He then conducted the Sacrament of Holy Communion.

Mrs. Dorothy Palin (Lutz) and Charlie Waddy former Brant residents, now residing in Calgary, were visitors on Sunday, March 20, at the home of Mr. and Mrs. Don McDonald.

Mr. and Mrs. Reg. Penner are now making their home at Three Hills where Reg. was transferred by the Searle Grain Co. Dennis Walker is at Brant taking his place.

Mr. and Mrs. Jim Davies attended the funeral of Jim's cousin, Don Laitinger in Claresholm on Thursday, March 24.

Mrs. Pearson is home from the hospital as well as Fred Payce. Earl Westergreen and Miss Faye Reiling and friends were home for the weekend from Medicine Hat.

Mrs. M. Gallagher and Mrs. L. Gingras attended Area 11 convention of the Home & School Association at Lethbridge on Friday evening and Saturday, March 25 and 26.

On March 19, Mr. and Mrs. S. Graham motored to Taber to attend "Open House" for C. C. Crawford. The occasion was Mr. Crawford's 80th birthday. Attending were his granddaughter and her family from Watson Lake, Alaska; his daughter and her family from Prince George, B.C.; their son and family from Cardston; and his son and family who reside at Taber. His whole family was with him for the day. Other guests were a brother and his family from Great Falls, Mont. and close relatives from Manyberries, Orion, Lethbridge, Kelowna, Conrad and Sweet Grass, Mont. Over 200 gathered to congratulate him.

Mr. and Mrs. Graham also visited at Wrentham on their way home.

Mr. and Mrs. Floyd Olsen and Laurie were Sunday visitors at the home of Mr. and Mrs. Alf Lawson and their family at Duchess.

Mrs. Phyllis McDonald, Mrs. Una Burley, Mrs. Chrissie Smith, and Mrs. Dan Dale won the ladies trophy for the afternoon ladies draw at the High River curling rink.

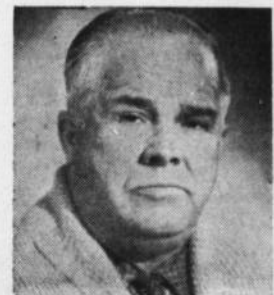

### EASTWAY

The card party held at the home of Victor Rushfeldt had an attendance of seven tables with honors going to Mabel Gooch and Seivert Johnston. Lows were awarded to Mrs. Godkin and Mack Sinclair.

 Calgary Power Ltd.

Ladies, the time is coming for you to have a night out on the town. An evening of fun and facts combined in such a way that you can't help but enjoy yourselves. If the man of the house wants to join you, he is more than welcome.

The Blackie Rebekah Lodge takes pleasure in presenting "FASHIONS IN FOODS" a cooking school using small electrical appliances. The time for you to be at the BLACKIE SCHOOL AUDITORIUM is THURSDAY, MARCH 31, at 8:00 p.m.

Two members of the Home Service Department of Calgary Power will be there to meet you. Jeanne Sokoluk, Asst. Home Service Director, and VerleAnn Johnson, Assistant Home Service Director, will prepare a variety of recipes on a "Grandma Goes Modern" theme.

You have a chance to join the activity when Ray Davidson, Master of Ceremonies, leads in a lively sing-song. He will also delight you with his singing of songs old and new.

All proceeds to go to YOUR COMMUNITY.

**Follow The Crowds To High River Sportsmen's Dinner**

(By Peter Pickersgill)

Junior sports in the communities  
of Blackie, Cayley, Longview and

High River received a hand on Thursday, March 10 when about 400 boosters attended the second annual Sportsmen's Dinner at the Highwood Community Centre at High River.

This event is unique in that, far from being a stag, ladies and youngsters were invited and a great many came.

This year's presentation was run smoothly enough—supper at 7:17 p.m., program at 8:35 and the closing speaker at 10:08—but it seemed to lack the polish and performance of the 1965 dinner which was almost too successful for a first attempt. Although it apparently was the plan of the sponsoring High River Chamber of Commerce to stay closer to home with personalities this year, it's difficult to replace such accomplished verbal duellists as Herb Capozzi of the B.C. Lions, Father Murray of Notre Dame College at Wilcox, Sask. or that surprising footballer-turned-speaker, Rollie Miles, of the old Edmonton Eskimos, all of whom were exchanging stories at the affair last year.

Biggest snag in the evening was with the dual microphones which gave trouble during the first introductions. The importance of a public address system at an affair like this is second only to the dependence of speakers showing up. At least it must have been Mike trouble cause when the barnyard bass voice of master of ceremonies Eldon Couey doesn't come through, the problem has to be mechanical.

The head table never-the-less featured an exceptional array of talented stars and figures associated with all major sports and there were some interesting highlights of careers and funny anecdotes related by the many guests.

Chuckwagon driver Ronnie Glass,

four times world champion and eight times runner-up told of training which begins in March or April and of racing which starts in B.C. during May and back to Alberta, Saskatchewan, Manitoba, Cheyenne and other points through the summer months. The best advice received by Ronnie to apply to the 45 races during a 9000 mile season is courtesy of his wife... "Start in 1st position and improve."

Since coming to Alberta in 1960 from Kalamazoo at the command of Stampeder general manager Jim Finks, who said "You belong to Calgary," Lovell Coleman, in his fullback slot, amassed a total of 1629 yards rushing in 1964, has been a Schenley Award winner but has still to reach his greatest goal with the Stampede, the coveted Grey Cup. Talking football, the speaker explained his method of running around or over the opposition. "Except in the case where big Angelo Mosca is coming after you, then you run through the instinct for survival."

Describing himself as the only coach from an NHL hockey career now at university "Even though I got in through the equipment room door," one-time pro-goalie (Toronto Maple Leafs, 1950-'51) Al Rollins was on hand to discuss his Calgary University Dinosaurs hockey team. He felt college teams would in future years be qualified for Allan Cup play. From his experiences, he said, he was in a position to know how much a college degree helps an athlete at the bargaining table for sports contracts.

Old-timer Lefty Wilson of the 1936-37 Calgary Bronks and now director of junior baseball in Calgary gave his views on this sport and his hopes for its future in this country. Observing some of baseball faults he said a ball game 30 years ago took two hours and 10 minutes to complete. Now two hours and twenty-five minutes are involved and most blame for this problem is in the delaying antics of pitchers.

**VULCAN WEST**

Mr. and Mrs. Norman Whitehead and family accompanied by Mrs. Lawrence Whitehead and son were to Calgary Saturday evening to see her husband Lawrence who is a patient in the General Hospital.

David Clark of Olds is now at home having completed his second semester at OABC at Olds.

Mr. and Mrs. Bob Hutton, Mr. and Mrs. Norman Whitehead and Mr. and Mrs. Bruce White attended the Fish & Game Banquet on Friday.

Jim Hutton and Linda Walley of Red Deer attended the Fish & Game Banquet on Friday and spent the weekend with Mr. and Mrs. Bob Hutton and family. Mrs. Dora Salter also spent the weekend there.

Mr. and Mrs. Clarence Brown and David accompanied by Mr. and Mrs. Norman Park of Nanton took a drive west of Nanton through the foothills and came out by Lundbreck on Sunday.

Congratulations to Donna Hutton for winning the ladies membership draw at the Fish & Game Banquet.

Mr. and Mrs. Ronnie Foster and daughter moved to Calgary last Saturday to take up residence there.

Saturday afternoon guests at the Bob Hutton home were Mr. and Mrs. Earl Salter and family from Clive, Alta.

Mr. and Mrs. Leon Nobert and Mr. and Mrs. Ernie Nobert attended the Fish & Game banquet on Friday night.

Mrs. Bob Loose is taking care of her two nieces while her sister, Mrs. Matthews is a patient in the hospital in Red Deer.

Mr. and Mrs. Norman Whitehead, Glen and Monica motored to Calgary Wednesday afternoon to visit the former's brother Lawrence Whitehead, a patient in the General Hospital.

Mrs. Ethel McMasters, Sr., Mrs. Ethel McMasters, Jr., Mary McMasters and Mr. and Mrs. Bruce White and Carol visited Mrs. John Wiebe and infant daughter in the Claresholm hospital Sunday afternoon.

## Trophies, Comedy

(Continued From Front Page)

Wayne Lucas, Frank Jepps, J. Faulkner, Greg Daniells, Robert Cutler, Sr., and Jr., Warden Budd and Wayne Brown.

A surprise package on the program was a skit on the hunter-training lecture theme in which instructor Frank Jepps, with the unseen help of Jerry Steiner, attempted, without success to drill some of the finer points of the course into two unco-operative students, Blaine Middleton and Dan McNeven.

A short dance followed to close the evening.

## Nine Out of Ten Children Catch Measles

But now they don't have to. Your physician can vaccinate them against measles, just as he does to prevent small pox. Measles is not a simple disease without problems. One out of every six children with measles develop a secondary bacterial infection such as a pneumonia or an ear infection. While these infections usually respond to a doctor's care, why allow serious trouble? About one out of every 1,000 cases develop encephalitis — an infection for which there is as yet no specific treatment.

Since the conquest of polio, measles cause more deaths than any other disease of childhood. If your child has not had measles, and has not yet been vaccinated against it, visit a physician soon.
